Product Information

For the best possible yield we recommend dissolving some of our proteins in reconstitution solution A (10 mM HCl). To simplify reconstitution this solution is included with all our proteins which require it.

You can now purchase additional reconstitution solution A in 1 ml, 5 ml or 10 ml sizes.

To check whether reconstitution solution A is recommended for your protein use our reconstitution solution finder or check the product page.

Product Size Wording

Currently 5 ml be dispatched as 5x1 ml vials, 10 ml as 10x1 ml vials

Product Information

- Animal origin-free (AOF) and carrier protein-free
- Manufactured in our Cambridge, UK laboratories

Featured applications

- Reconstitution of lyophilized proteins
